**Re: Accompanying Statement to Annual 47 C.F.R. §64.2009(e) CPNI Certification
for 2011 for DolEx Dollar Express, Inc. / Form 499 Filer ID 828535**

Dear Sir & Madam,

The purpose of this statement is to explain how DolEx Dollar Express, Inc.'s procedures ensure compliance with Commission's CPNI rules.

DolEx Dollar Express, Inc. ("DolEx") provides long distance service via phone booths at its company-owned stores and third-party agent locations. DolEx does not capture any consumer personal information such as their name, address or phone number. The only information that DolEx captures relates to long distance calls made at our phone booths and it consist of the following:

1. The phone numbers called by consumers at the phone booths.
2. The length of phone call made by consumers at the phone booths.
3. The destination country of the phone call made by consumers at the phone booths.

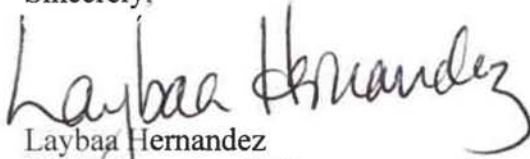

All the aforementioned call information that is captured by DolEx is maintained on our secure technology platform, and such information is not shared with any data brokers or similar third parties. Moreover, DolEx does not use this information for any marketing purposes.

Once again it is worth noting that DolEx does not capture the name, address or phone number of the consumer making the call. Therefore, we have no way of tying the consumer's personal information to the phone number called by the consumer or the length of each phone call.

If you have any questions or need any additional information, please contact our VP of Business Development, Khaled Sakr, at khaled.sakr@dolex.com or 678.407.7031.

Sincerely,

Laybaa Hernandez
Chief Operating Officer
